Spring 2026

Product Categories

The background of the slide is an abstract composition of various shades of green. It features a series of overlapping, semi-transparent geometric shapes, primarily rectangles and parallelograms, that create a sense of depth and movement. On the right side, a bright, white light source emits a powerful lens flare, with rays of light extending across the frame. Small, white, star-like particles are scattered throughout the green areas, adding to the dynamic and futuristic feel of the design.
